There are many awards, but only a few are conferred by you, the consumers. The greater the suspense today, on Thursday, September 14 2023, when the winners of the coveted public awards were announced in the presence of the biggest names of the industry.

To determine the shortlists our readers were asked to nominate their top-candidates in the categories Best Brand, Best Cigar, Best Value, Best Boutique Brand (new category), Best Accessory, and Best Lounge and then to determine the winner from the top five.
